FEE SCHEDULE

Clarity ADHD, PLLC | Lucas Craft, MMS, PA-C | Washington State | Effective: August 5, 2026

Clarity ADHD, PLLC is a self-pay practice. We do not accept insurance, Medicare, or Medicaid as payment for treatment. All fees are due at the time of service. We accept credit cards, debit cards, and HSA/FSA cards. Superbills are available upon request for potential out-of-network reimbursement.

Intake Services

Service	Description	Fee
Full Program ADHD Assessment & Optimization	5 visits over 5 weeks, then a 2-week extended-release (XR) trial after visit 5 (about 7 weeks from first appointment through the XR trial). Includes a 60-min comprehensive evaluation, FDA-cleared QbCheck (remote), QbCheck review and diagnosis, three follow-up visits, typical medication trials (up to three; individualized, not obligatory), XR trial after visit 5, maintenance plan, and secure portal messaging.	**$1,099**
Intake Evaluation (New Patient)	60-min comprehensive diagnostic evaluation including full history, symptom review, screening for co-occurring conditions, and initial treatment planning. Available on its own for patients who prefer to pay per visit rather than enroll in the Full Program.	**$325**
Transfer Intake (Medication Transfer & Onboarding)	One-time visit for patients with an established ADHD diagnosis. Includes full medication history review, PDMP check, controlled substance agreement, brief symptom check-in, written care plan summary, and pharmacy setup.	**$325**

Bundled Full Program rate. The same services booked individually total $1,275.
